

Additional Help

All materials available for the Floral GTIN Initiative can be found at www.floralGTIN.com

Individual assistance with PTI materials can be found at any of the sponsoring trade association sponsor sites and/or through questions directed at appropriate contacts at each of the two trade associations as follows:

Gary Fleming

Vice President, Industry Technology & Standards
Produce Marketing Association
gflaming@pma.com
www.pma.com

Christine Boldt

Executive Vice President
Association of Floral Importers of Florida
christine@afifnet.org
www.afifnet.org

Assistance with GS1 standards can be found at www.gs1.org or in the U.S. at www.gs1us.org
